Details

Handles carefully crafted and a smooth solid oiled oak plate in the drawers is what defines this range. The peaceful encounter between two colours and materials makes this an exquisite piece of furniture.

Design by: Says Who

The Danish designer duo Nikolaj Duve and Kasper Meldgaard are furniture fanatics, industrial designers, and creatives with a love for modern Scandinavian design. Simplicity and functionality are the core qualities in their design.

Made in Sweden

At Tenzo, we design and produce modern, high-quality furniture with a genuine Scandinavian touch. Our production facilities are located in Smålandsstenar in the south of Sweden.

High quality

The sides and front are made of lacquered high-quality mdf and the soft-closing drawers are of a durable three-piece model. This furniture is made to last.

SCANDINAVIAN CONTEMPORARY MINIMALISM

Switch is a range of minimalistic designed furniture for the contemporary home. Modern styled furniture in classic shades combined with elegant asymmetrical handles makes this a series of furniture for every home. The furniture will make your room stand out and give your home a classic state-of-the-art-look.

All pieces of Switch furniture are imbued by Scandinavian simplicity with clean and soft lines, making the pieces a statement in your home. The handles are beautifully crafted and carefully milled to match the warm and smooth embedded oiled solid oak details. The gently rounded body and the slim metal legs are lacquered in the same shade, creating one perfect unit.
